An accomplished writer, actor, and film producer, he has also been recognised as the Winner - NSW Triple J Raw Comedy Champion and received the Winner - Thank God You're Here Trophy. In 2010 he published his autobiography, *The Happiest Refugee*. A talented cook and artist, he used his skills to develop television shows *Anh Does Vietnam* and *Anh's Brush with Fame*.

Anh Do's ups and downs, trials and tribulations, difficulties and successes as a refugee over three decades makes for an incredible and amazing inspirational tale that has audiences gripped with emotion one minute and howling with laughter the next. The result is always a room transformed. From language difficulties to divorcing parents, from being broke to being bullied, from becoming a lawyer to becoming Comedian of the Year... Client testimonials

“ Everyone loved Anh. I'm sure a lot of people thought he was there to do a comedy skit and were surprised by his story. As you know we had him for our MC as well and he did a brilliant job of this also. After the awards ceremony, he spent a lot of time with everyone talking, taking photos & even having a dance. We would thoroughly recommend him to anyone.

- *Heritage Building Society*

“ He certainly was the perfect choice for our MC and I was extremely happy that we secured him for the event. Even more pleasing was his performance on the day and the friendly and relaxed manner with which he conducted himself. As MC, Anh was both entertaining and formal as the ceremony required. He got the tone and the balance of the ceremony spot on and is a very talented speaker.

“ Anh Do is not your usual keynote speaker. He is different. And what makes him different is the way he lives his life in the moment he calls "now or too late". Anh gets his audience to think about important strategies for success and demonstrates his ideas through his values and life stories. He makes people laugh and even shed a tear over what really matters. I would recommend Anh to any company that is looking for a key note speaker that can motivate and entertain. It was an absolute pleasure working with Anh and I applaud the difference he is making from his successful career.
