Testimonials

“ Col was our MC for our Arc de Triomphe x Flemington Gala, organised by the French-Australian Chamber of Commerce, in November 2022, and was the best MC I could ever dream of. Not only because he has a French background that fits perfectly with what we wanted to implement, but also because he has this amazing attention to detail that will ensure your event goes smoothly. Our guests loved him, and some of our members are still talking to me about him and about his wonderful performance. Col is just so amazing to work with and will always find a solution when there is a problem. Our Gala would not have been that successful if it was not for him. Can't recommend him enough.

“ Col was our MC for the staff conference a few months ago, and I have to say, he was simply

outstanding. After the conference, we conducted a survey to find out what stood out to our staff, and Col was in the top three highlights. I highly recommend Col—not just as a funny and reliable MC, but as someone who puts his heart into what he does. He has a unique ability to connect the business with its people, making himself an integral part of the experience. Thank you, Col. We can't wait to see you again at our next conference. You truly make a difference!

“ Thank you, Col, for helping to make our Business Managers Victoria (BMV) Annual Conference such a huge success. This was our first year to engage an MC for our event and your humour, quick wit, engagement and relationship building with our members along with the consistent messaging to delegates meant it was overwhelmingly accepted as a great initiative. BMV would wholeheartedly highly recommend Col as your MC for your events to allow organisers to relax and enjoy the program. We look forward to working with you again in the future.
