Client testimonials

“ Larry Emdur and Kylie Gillies were our Master of Ceremonies duo at our Black Tie Annual Staff Awards- and what a Dynamic Duo they turned out to be! They took the time to build a great rapport with the Bank's CEO and this really came through during the presentation. The conversation on stage was lively, interesting and flowed well. I would not hesitate in recommending them for future events.

“ Your co-hosting of the National Travel Industry Awards...was nothing short of superb. In fact the plethora of positive comments that are now flowing into the office bear witness to that, and between us two, I think you have established a whole new fan base! I am very appreciative of the way in which you both kept the event moving along; injected humour and - to my personal amazement - kept the background noise level to the lowest that it has possibly been in years. In short you did a fantastic job for us.
