

# Jenna Owen and Vic Zerbst

---

## *Writers, Actors and MC Duo*

Award-winning comedy writers, actors, and directors best known for their biting satirical TV series Optics for the ABC in Australia, as well as their heartfelt comedy telemovie Nugget Is Dead for Stan in Australia.

Jenna Owen and Vic Zerbst developed their comedy chops from fledgling university comic performances and self produced comedy showcases to multiple years delivering comedic commentary about everyday life and politics, week on the beloved series The Feed for SBS.

Together, their comedy sketches have amassed over 90 million views and won three Australian Writers' Guild Awards. Jenna and Vic also directed The Chaser's 2020 Web Series War which garnered global attention and critical acclaim for their 'Contact Tracies' Sketch, as well as a nomination from the Director's Guild Awards.

Jenna and Vic were voted Best Dressed at the Logie Awards, presented the award for Best Adult Contemporary Album at the ARIAs and recently signed to Collider as directors in the advertising space.
