Client testimonials

“ We asked Tim to address our Small Business Community as 74% wanted to learn more about marketing. Tim's story showed us that world-class branding and marketing can be undertaken by smaller players - the Nudie story is as refreshing and inspiring as the Nudie products we enjoyed at breakfast. “ Tim was excellent! Out of a fantastic line-up of speakers, all of whom did a great job and kept the audience interested and engaged, Tim was still a stand out speaker. He was professional, down to earth and really gave the audience some great information and tips, and above all, got his message across without making it seem like an advertisement for Nudie. He was great and I would have no hesitation in recommending him on to others.
