Client testimonials

“ We had a drinks event with the client where we presented the framed version and they loved it. Every time I have spoken to them since, they have noticed some more of the details and have some more wisecracks to make about the various personalities involved. Thanks again for doing such a great job.

“ Thankyou so much for the caricature... the cartoon will now reside with me in England. It is very much appreciated.

- Sir Elton John

“ Too kind, you really were too, too terribly kind... I long since gave up hoping to be attractive but alas... I've been living with "interesting" for nearly ten years, but now I have "manic" all thanks to you

- Doug Mulray

“ Your caricatures are great, and they were a definite drawcard to our stand during the exhibition! You certainly brought some fun and novelty to the whole event, and helped to make it a successful venture
