

Gavin Bell

Corporate caricaturist and speed painter

Searching for unique entertainment that's memorable and funny?

Step into the world of corporate caricaturist Gavin Bell. Gavin has wowed audiences both nationally and internationally for over 17 years at corporate and private events.

Now after drawing approximately 50,000 live caricatures, Gavin brings his experience (and paint brushes) to Australia's freshest entertainment concept: VIP-10 Unique Speed Painting.

A unique background entertainment concept, Gavin and his team paint 10 lucky guests LIVE in a colourful, animated and humorous presentation.

The 'chosen' guests have the option of traditional caricature or 'Picasso Style'. They'll have their artwork mounted on the spot (ready to take home) and their VIP experience begins with a relaxation massage.

Engage, inspire and surprise your guests at your next event with this memorable experience. Your audience receives two solid hours of artistic entertainment.

Gavin Bell's VIP-10 is ideal for conference dinners, awards nights, gala charity auctions and client functions.

“ We have already received wonderful feedback from both the 'VIPs' on the night and others who enjoyed your artistic creations evolve before their eyes. Your product integrated

seamlessly with our Fundraiser and we were thrilled when all 10 items were 'snapped up' for a very impressive dollar amount each. We highly recommend yourself and VIP-10 to anyone looking to brighten up their special occasion and have a good laugh along the way.
