The Fabulous Vegas Boys is an incredible new Corporate Swing Show, featuring the musical comedy talents of Peter Murphy and Tom Gillinder. Outstanding vocals, teamed with incredible showmanship, hysterical comedy routines (and even a touch of magic), make for a 2-man world-class variety show unseen in Australia since the 50's.

Peter Murphy "Murph" has recently returned from starring in *We Will Rock You* on London's West End to critical acclaim. His other international credits include *Shout!*, *Rent*, *Fame*, *Les Miserables*, *Jesus Christ Superstar*, *Thriller - Live*, *Burn the Floor*, *Nine* and *The Snow Queen*. His unequalled vocal abilities have seen him work with The Veronicas, Christine Anu, David Campbell, Natalie Bassingthwaigte, Thelma Houston, Mark Holden, Glenn Shorrock, JPY & Nikki Webster, to name just a few.

Tom Gillinder "Tommy Gunn" is one of the nation's great corporate stand-up comedians, touring Australia with country music Queen Kasey Chambers, as well as sharing the stage with Vince & MMM's "Sully" Greg Sullivan. His corporate clients have included Ford, Microsoft & Adidas, and he was the Host and Featured Dancer in Conrad Jupiter's, *Inneuvre*. An accomplished stunt driver, he featured in & helped create some of the country's biggest shows, including *Hollywood Stunt Driver*, at Warner Bros. Movieworld.
