

Margaux Parker

Co Host of Triple M's The Big Breakfast

Strong, fierce and full of flare. Triple M's *The Big Breakfast*, Margaux Parker, brings a new flavour to South East Queensland's local breakfast show. Already a veteran of the Brisbane social scene, Margaux has announced herself as an in-demand media identity since the retirement of her husband, former Brisbane Bronco, QLD and Australian rugby league legend, Corey.

A queen of social media and a proud mother of four kids under the age of 11, the Logan local is as comfortable on the red carpet as she is in a pair of ugs at school drop off. Margaux brings a powerful presence to a studio of big personalities and has undoubtedly been embraced by the Brisbane audiences.
