“ Keith Abraham has long been a firm favourite at our conferences, full of passion, tangible advice and inspiration. Feedback from the online session was full of praise, as always.

- *Melissa Seitz Vice President Australia Rodan + Fields*

“ Keith's presentation was a highlight of our national conference. His world-class content provided our broker network with effective strategies for reigniting their personal and professional growth goals and Keith's ability to make the session interactive and engaging was truly next level.

- *Brad Cramb GM Sales & Distribution, Aussie*

“ Inspired and motivated are the words I would use to describe how Keith leaves our people. He has presented at Lorraine Lea conferences on multiple occasions, and the reason we keep inviting him back is because he leaves our people truly inspired and has the ability to shift their thinking and motivate lasting change. I was delighted that he was able to share the same infectious energy, authenticity, connection and interaction with our Leaders on a recent workshop—his presentation came at a good time to mobilise them post COVID-19.

- *Anne Petracca CEO, Lorraine Lea*

“ Keith's ability to really 'speak' directly to our people and inspire focus while educate them is a reason we keep coming back for more! His skill in delivering via a virtual platform, achieving the same impact was a standout at our recent leadership forum—nailed it again Keith!
