## ***Steven Bradbury talks about:***

### **Motivational Speaker**

Steven Bradbury's career as an Olympic speed skater was driven by determination and most importantly a will to succeed. With the same passion he showed on the ice, Steven has continued his success as a Motivational speaker. Steven actually doesn't like the title - Motivational Speaker, it sounds Un-Australian, he prefers real Life Speaker !As a Motivational Speaker, his warm friendly nature, down to earth manner and use of humour is sure to help 'break the ice'. The Bradbury story is one of the true Aussie battler who overcomes much adversity to achieve the ultimate goal. Steven has learned success strategies through experience in business and sport. Like he has done for many others, as a motivational speaker, he is ready to deliver lasting results and a never give up attitude to your team.

### **After Dinner Speaker**

Steven Bradbury has become one of Australia's best entertainers. He is now getting regular bookings as an After Dinner Speaker and a stand -up comedian with a celebrity edge. After fine tuning his skills and working with infamous comedian Fred Lang, Steven's timing and pausing is spot on and his childhood, fatherhood and post Olympic stories are hilarious. Being a great after dinner speaker is not easy. You need to be adaptable, be part comedian, part entertainer, part motivator and often be a draw card to help put bums on seats. Over the last 15 years Steven has spoken to accountants, plumbers, school kids, the wallabies, CEO's, council workers, bankers, Olympians, fashion designers and politicians. Steven is ready for any audience.

### **MC | Master of Ceremonies | Event host | Conference Facilitator**

Steven Bradbury enjoys the role of MC - Master of Ceremonies, Event Host and Conference Facilitator. His vast experience onstage allows him to be relaxed, informative and entertaining. Steven is one of Australia's most well known Olympic Champions and adds the celebrity angle to any event. An MC needs to do more than simply introduce the next speaker. The MC needs to engage the audience, be able to work a room, feed off the energy or create energy The MC should also have the skills to convey the clients intended message to the audience. Steven has been honing his skills for well over 12 years and is one of the most experienced, entertaining and professional MC's on the Australian & International speaking circuits.

### **OHS - Health and Safety Speaker - Risk Management**

Steven Bradbury - Health and Safety Speaker. The sporting world is high Risk, high Reward. Just before the race with the epic pile up that led to Steven Bradbury winning Australia's 1st Winter Olympic Gold Medal he spoke to his coach Ann Zhang. Finally Steven had developed experience and judgment. It had taken him 12 years of obsessive training, 4 Olympics Campaigns, 111 stitches in his leg, four litres of blood on the ice and a broken neck. Now Steve and his coach knew everything:

- Youthful exuberance = 0%
- Over Confidence = 0%
- Knowing the competition = 100%
- Knowing your own limitations = 100%

### **Client testimonials**

---

“ Steve seamlessly built our United Wambo 'PB5' theming into his show and had a room full of miners fully engaged for over an hour. His humour and delivery style disarmed the crowd and he followed this with messages of positive mindset and teamwork that some of our staff are actually implementing. The background on his journey to Olympic Gold is inspiring, the best training day speaker we have ever had!

“ I've been with Poolwerx for 13 years, your keynote was the best I've ever seen. You took us on an amazing ride that had a profound impact on all in the room. A couple of our 20 year

veterans also said it was the best that they'd seen. Seeing you helping some of our supplier partners setting up on day 1 was brilliant, and the event was Buzzing for 3 days after your keynote. You set the event up in spectacular fashion. I reckon we've got a heap of our people around the country with their "positive turned on" and will have for some time to come - Me included.

**- Poolwerx - Troy Cartwright - Chief Services Officer**

“ Thanks for coming down to Sydney to share your story with the team. It truly was the highlight of the event. Feedback from everyone I have spoken to is in sync with my comment. I will certainly share the feedback with other teams at Microsoft.

**- BILL VLANDIS - MICROSOFT**

“ Thanks so much Steven - you were a star on the day and I had wonderful positive feedback on your presentation from so many people. You have woven your story around a message that resonates with everyone. You held 2200 people in the palm of your hand for over an hour - at the end of a long day that is no easy thing to do so congratulations and thank you.

**- Wendy Alexander - CEO - Barfoot and Thompson**

**- Eagles Plumbing Supplies**

“ Steve provided an extremely amusing, yet relevant piece in his summation that left the audience both on the edge of their seat and in throes of laughter.

**- IGA Australia**

“ Overall from speaking to other staff members, they found your presentation very captivating, motivating, entertaining, an emotional rollercoaster and finally very amusing. You present yourself very well, your story builds well from the start and you include the audience throughout. I have seen other speakers before, but your story was by far the most engaging I have heard so far and I would have no hesitation in recommending you for any future events with Challenger or other organisations.

**- Challenger**

“ It was an absolute pleasure to have you as our keynote speaker...We are confident that your approachable manner, sense of humour and motivation shared with us on the evening has provided our team with a little extra to keep them positive for both work and personal ambitions.

**- Ausco Modular**

“ AMP used Steven as MC at our financial planning conferences held in the key capital cities around Australia. His MC style appealed strongly to the audience and his ability to relate some of his life experiences to the messages on the day were first class. Steven was also keynote speaker at our National conference in 2008. Bringing him back as MC for our state conferences in 2011 was a big success and I would highly recommend him as both MC and motivational speaker. He has broad appeal for business and private functions or conferences.

**- AMP Financial Planning and Services**

“ Please accept my sincere thanks and congratulations for the superb job you did as MC of the Awards Night at Longreach a week ago. From my previous experience hearing you as guest speaker at our National Sales Conference last year, I knew that the MC role was in the most capable hands. The result at Longreach was a most enjoyable and memorable one for all present, due in no small way to your relaxed and humorous management of the night, together with your warm interaction with the crowd.

**- Nissan Motor Co.**

“ Steven's performance (as MC) was refreshing, humorous and definitely not your traditional stand up presenter. His approach was professional and while working from our script, managed to personalize it with timely ad-libs to suit the moment. Quest run around 20 major award events each year around Brisbane and never before has our MC been in demand to sign autographs at the end of the night, Steven really aided in the success of the evening. If you are looking for Different, Quirky and Memorable, Steven could well be your man.

**- Quest Community Newspapers**

“ Fantastic. Steven received a 94% approval rating by our attendees, the highest of the conference.

**- Kordia**

“ It was great to meet and have the opportunity to work with you on the roadshow. Aside from the fact that you're professional and very good as an MC, you are also an absolute pleasure to work with - kind, respectful and engaging. It really felt like you were an extension of our team which is important when you're on the road for four weeks!

**- Australian Business Theatre**

“ Working with Steven at the recent SPLASH! Environmental Awards was a wonderful experience. He exceeded my expectations as both MC and guest speaker. Steven had the (tough) crowd, eating out of the palm of his hand, and at some points you could hear a pin

drop. Feedback has been 100% positive and I know a number of companies are interested in having him speak or MC at their future events. Our group was male and female and all ages and everyone enjoyed the night - A huge thank you to Steven.

**- Interpoint Events**

“ I just wanted to say thank you for a fabulous night last Friday night at the Sheraton Grand Hyde Park with the RoundTable team. You were extraordinary - engaging, funny, dedicated to your craft and you held the team of people who had had a huge day indoors with large hangovers!! You held them in the palm of your hand. Thank you for the laughter - it was energising. All the best to you and if you are ok, I will keep you on speed dial.
